

# The New Dark Way

The following is a set-up for dark unity that would be best expressed in the format below. If truth is to prevail, then certainly benefits must be given to darkness so that we can all receive it. We will live a life with them certainly, and this document will entail to describe their life to be lived here. Taking in the entire work that has been done over the past few days in this regard, living the right experience will show us the sacrifices made, and the gains made.

## **1. Home**

There will be dark worlds emerging, instead of a dark continent. One in orbit above Earth will be their capitol land, and the rest scattered among the stars. The means of suffering in this home are similar to that of the time before, but all their life will be enjoying one thing. That is the development of dark love, a new thing that is coming to beings. The difference between this love and normal emotional love is the wisdom that will generate from it. Some claim this to be of normal love, leave that aside and make way for what is new.

## **2. Chasm**

When within their chasm, accessed from the Home, they will be bombarded with lessons from their past, and that which Allah decrees for them to see otherwise in it. They will live unbothered there like a sanctuary, practicing the more darker things which are forbidden to exist outside. Those with a special one of these will ascertain privilege to overcome hurdles for the life's evolution outside it.

## **3. Races**

Allah will select from the group of life we have already and create anew for the new world to take place. Their differences will be notable and contrasting indeed. Some notable ones here include the use of Akusimaba once again, and the Shaaku.

## **4. Dark Flight**

The races will migrate along paths set by Allah for the purpose of harvesting a life source. So to see them travel is to see them sustain. It will be beheld by the people in the living world as a sign, when they travel from place to place, for they only move to do certain things, sustaining as they go.

## **5. Dark Heaven**

Though conventional heaven requires fulfilling certain requirements, heaven is earned by honoring in the devil world. In their heaven there will be traps for them, and lessons throughout. What they learn there, they keep until nothing remains.

## **6. Black Lavel**

There will be a form of government over top of the devils, though the old Lavel is unusable today it

will certainly help in making the new one. Allah will preside over the final matter.

## **7. Submission to Allah**

Rebellion was a thing of the past, and may become a part of the future if my knowledge of devils is correct, so therefore a religion will be issued to them through a race dedicated to preserving it for them. In time, this will bear heavily on their actions, so the remedy is that Allah knows best in these times. He will not blatantly trample over them without good reason, and they would know it in time.

## **8. Interstellar Travel**

That they travel to other worlds from their headquarters here freely, though they have no need, it be for a sign to take place in their world. Interaction with others is just a bonus of that.

## **9. Contest**

They are unable to really seek enjoyment of anything, and this goes with battle as well. Their contest will be only of war between themselves if that happens to be, and that's all. Let them earn contest as a privilege of earning rank if Allah sees fit secretly.

## **10. Libraries**

Libraries would be permitted for those eligible to read the books within, and certainly there would be libraries in the chasms as well.

## **11. The Dual Life**

Though one life be lived sensibly, devils will be given the ability to live a life in a different place, within Allah's realm, looking at information and solving puzzles to learn things ineffable about the most random of things. Whatever floats their boat will do.

## **12. Dark Monuments**

Dark monuments will spawn on the terrain of the dark planets, or any other dark territory Allah chooses, and a warning of what is to come for devils will be inscribed upon it in dark language. New words will be used that darkness itself will have to teach.

## **13. Dark Spectre's**

Though this take's up the sensible portion of the brain for a devil, they will be able to conjure spirits that thrash at the true anxieties of other individuals in the area, viz a viz your darkest nightmare come to be, as simply as a spectre can illustrate.

## **14. Dark Markings**

Marks will be issued upon ranking that gives a certain phenomena a chance to take place. Circuits will be tattooed that repeat simple information such as suffering clauses, or arguments about mad behaviour, endlessly looping that they will be able to know about if looked at with their dual life capability.

## **15. Houses**

Houses of knowledge will be obtained, and disciples will utilize the tool in the production of thought regarding each subject inherent to the wisdom of the house. The house of pain will undergo and learn about pain in all forms, for example.

## **16. The Tool**

Before, we had witnessing as a means of extracting personal information about individuals. With the tool, the knowledge of all of that will be stored in a way readable to the dark life researching it, and so therefore they can become learned in a different way, as opposed to learning with their dual life.

## **17. Media Campaign**

Wherever the living incur a system of media for ingestion, that which helps them learn new things, the dark life on that neighbouring planet will be responsible for dispensing dark media, lectures on dark thinking and social media enterprises to reach the masses.

## **18. Offering Pool**

There will be a pool in each locale on each world that provides things to the dark life for the Mother. Upon offering to it, in the right way, a requested item will emerge and surface, which the offerer can take freely.

## **19. The Dark Hut**

For journey people, there will be a hut on the world in a remote area from which the spirit of darkness can be accessed and talked to. Not for the faint of heart.
